- Gallery walls are 1/2" drywall with 3/4" plywood underneath. 
- Artwork may be hung directly from walls using screws or nails. 
- Gallery ceiling is a drop-ceiling, 10' high. 
- Work may not be hung from ceiling, except with special permission. 
- The optional, movable partition is made up of 3, 4' wide panels on thin metal legs that sit 2' from both ceiling and floor. Work can only be hung from these panels by a wire from the top of the panel; they may not be pierced.
